# ALEXANDRU STĂNICĂ

## WEB DEVELOPER

## ABOUT ME

I am a **passionate** front-end web developer with over 1 year of experience using technologies like **React** and **Redux**. I would like to learn more about design best practices and back-end development. I love to be part of projects that **help others**. I consider myself an **adaptable** person who can easily **work in a team**.

## EXPERIENCE

### Front-End Developer Volunteer, SiSC ASE

NOVEMBER 2020 - PRESENT

- I'm currently the **Front-End Lead of the IT Department** at SiSC ASE, an organization that represents the students of the Bucharest University of Economic Studies.
- I have been involved in multiple projects as a member such as Spring IT, Tutoring, Serile Teatrului Studentesc, SiSC Promo, and more.

### HTML & CSS Instructor, Telecom Academy

NOVEMBER 2020 - MARCH 2021

- I have **created a course** for absolute beginners to learn the basics of HTML & CSS, focusing on building **nice-looking projects** to keep them interested.
- I have taught a small group of people the **best practices** when it comes to these two languages.

## EDUCATION

### Bachelor Degree, The Bucharest University of Economic Studies

OCTOBER 2019 - PRESENT

- I have been studying at the **Economic Cybernetics, Statistics and Informatics Faculty**.

### High School, Saint Sava National College, Bucharest

SEPTEMBER 2015 - JUNE 2019

- Baccalaureate Diploma - 99.5%**

## CONTESTS & CERTIFICATION

### Accessibility Hackathon by Kaufland

- I have been part of a small team that built a **web application** using **React** and **Firebase** with the purpose of **helping people** to connect better.

### JavaScript Fundamentals, Telecom Academy

### JavaScript Advanced (React), Telecom Academy

### Award of Course Completion - Database Design and Programming with SQL, Oracle

### ECDL Profile Certificate
